

10 Minute Presentation

Prepared By:Manny Gonzales

House:North

Working EQ :what are the differences between Mexican food and Mexican American food.

Objectives (Specify skills/information that will be learned.):some differences in american,mexican and mexican food

	Guide	Time	Important Source
Introduction	intro to who I am take a second to say what topic I'm doing	1/2 min	1:
Verification (Steps to check for student understanding)	take a minuet to see if any one has already been to Mexico, then see if any one knows of any differences already. End: asking questions to see if they caught any details	1 1/2min	
Body (Give and/or demonstrate necessary information)	<i>Literal:</i> what makes Mexican food and what makes the Americanized Mexican food	Literal: 1min Interp: 2 min Applied: 2 min	Visuals

Interpretive: the article “evolution of Mexican food” from the web site prepared foods.com, it greatly helped my understanding of what Mexican food is.

Applied:
Mexican food is way different from what Mexican food is here....(discussion)

Activity
