

## Outreach to Real Estate Agency

SL: Advertising strategy for [name of the business]

Hello [name],

I would like to congratulate you on your successful real estate agency. It is a fantastic achievement to expand the offer outside the country to such exclusive places as Florida and Egypt.

I noticed that you have a Facebook page where you advertise your offers and I came up with an idea for an advertising strategy that you could use.

I can write several ads for your Facebook using the "funnel" method and a few other proven schemes.

If you want to discuss it and determine the detail then reply to this email.

Regards,
