J. Chad Sweeney (CAL)
John Reitzel, Chair (SBS)
Kelly Campbell (VPAP, Ex Officio)
Melanie Radan (Student Representative)
Yunfei Hou (CNS)
Zhonghui Wang (JHBC)

FAM Revisions in Progress

1. FAM 838.4 – Collaborating with Chris Hill and the General Education Committee to revise the General Education Policy.

2. FAM 822.5 – Undertaking significant revisions to the Curriculum Review Process Policy to align it with current practices and standards.

3. FAM 842.5 – Working with David Marshall to revise the structure and responsibilities of the Honors Program Committee as outlined in FAM 842.5.

4. FAM 105.4 – Updating the Policy on Centers and Institutes Formation and Review, including revisions to the process for renaming centers, as well as the procedures for periodic and annual reviews and the annual report form.

5. Generative AI Policy – EPRC is currently drafting an initial version of a potential policy on the use and governance of generative AI technologies.

School Proposals

- Department of Nursing and Department of Health Science and Human Ecology: EPRC is working with both departments and with other key parties in order to bring the proposals back for a second read.
