AGENTS- ECR Small Awards

The purpose of this award is to provide support to Early Career Researchers (ECRs) in the field of Ageing and Nutrient sensing.

Applicants can request a maximum of ~£1,000 of flexible funding to support any activity that has a clear case for personal or professional development. The money can be used to support workshop attendance, visiting another lab/institution, software purchases, database access etc. This list is not exhaustive, and we encourage people to get in touch if they have any queries.

There are no strict eligibility criteria; if you identify as an early career researcher, we welcome you to apply (this includes, but is not limited to, PhD students, Post-docs, Fellows and New Lecturers).

You will be asked to provide feedback for the benefit of the wider AGENTs network. Evidence of expenditure will need to be provided.

Application Deadlines:

1. 31st January 2023
2. ~30th June 2023 (tbc)

Please note, the money must be spent by 31/12/2023

Queries to Bernadette Carroll, bernadette.carroll@bristol.ac.uk; Applications to ecr.agents@gmail.com
