OPPOSITION

SDP:

1. To the Treasurer

- a. How is the government balancing both maintaining the improvement in the economy, avoiding the economic devastation we saw last lockdown, and the safety and lives of the people under the threat of covid-19.
- b. What trade relationships are the government aiming to reach with China? Assuming that China's economic barriers and sanctions continue, what is the government doing to diversify Australia's key exports such as iron ore and beef? (MP Melbourne).
- c. What is the member doing to ensure that all Australians are getting jobs and fair income amid the unemployment crisis?

2. Minister for Foreign Affairs

- a. What is the government doing to ensure that Afghanistan contractors are not being left vulnerable to revenge attacks and violence from the Taliban with Australia's withdrawal of troops from Afghanistan (MP Melbourne).

3. Minister for Employment

- a. What are you doing to increase the unemployment rates after we have been hit with a 3rd major wave of COVID-19?

6. Minister for Health

- a. What does the member say about the current vaccine rollout that has promised to deliver 80% of fully vaccinated people but has only had 14% vaccinated.

MPP:

1. Minister for Health:

What does the member think of potentially taking England's lead and saying once we get a high enough vaccination rate, COVID-19 is just something we just live with and open our borders to all vaccinated people in 'green zones' (Green Zones-being places without an amount of active cases)? (MP North Sydney)
