PURPOSE OF DATA PROCESSING

To provide you with the App; for example, to allow you to use the App, contact you, provide you with advertising;

To improve the App so that you can have better experiences and improve our offers and promotional content so that they are more relevant to you;

For security, system integrity (the prevention of hacking, cheating and other improper or unlawful activities), or enforcement purposes;

To make sure that we comply with applicable legal requirements.

YOUR RIGHTS

We provide you with the rights described below when you use our Services.

You can request correction or update of any personal data we hold about you, unless you can already do so directly through the Services.

If we rely on consent to process your personal data, you have the right to withdraw your consent at any time. Withdrawing consent will not affect the lawfulness of our processing or the lawfulness of any third party processing based on consent before you withdraw it.

You may request us to erase any of your personal data held by us that: is no longer necessary in relation to the purposes for which it was collected or otherwise processed; was collected in relation to processing that you previously consented to, but later withdrew such consent; or was collected in relation to processing activities to which you object, and there are no overriding legitimate grounds for our processing.

If we process your personal data based on the lawful basis of consent, contract or legitimate interests, you may object to our processing at any time as permitted by applicable law. We may continue to process your personal data if it is necessary for the defense of legal claims or any other exception permitted by applicable law.

DATA SHARING

We share data with the following third parties that support us in delivering and analyzing the Services.

Law Enforcement, Regulators and Other Parties for Legal and Security Reasons. We may disclose personal data when necessary to protect the legal rights of us, Users or third parties, in order to avoid fraud, manage our risks or comply with applicable laws, legal orders or processes. This includes exchanging data with other companies for these purposes. In these cases, we disclose personal data to comply with legal obligations or to protect the legitimate interests of us or affected third parties.

Service Providers. We have agreements with various service providers to facilitate delivery of the App, which include those we engage to give customer support, operate the technical infrastructure needed to provide the Services, assist in providing you rewards and protecting and securing our systems and Services and to help market Services.

DATA STORAGE

How long we retain your personal data depends on different factors, such as whether we need the data to provide the Services, comply with legal obligations, resolve disputes or enforce other applicable contracts and policies.

SECURITY OF DATA

We use commercially reasonable physical, managerial, and technical safeguards to preserve the integrity and security of your personal data. We cannot, however, ensure

or warrant the security of any data you disclose on, through or within the Services and you do so entirely at your own risk. Please note that we cannot guarantee that such data may not be accessed, disclosed, altered, or destroyed by breach of any of our physical, technical, or managerial safeguards.

THIRD PARTY SDKS OR SERVICES

When we provide links to third-party SDKs or services provided by third parties, this Privacy Policy does not cover how those third parties process personal data.

We recommend that you carefully read the privacy policies of such third parties. In detail, the App may access to the following third-party Links:
