Mirya Holman's 2018 AcWriMo goals.

Overall goals: ~~Write 17.5 hours a week (average of 3.5 hours a work day) for a total of 73.5 hours of writing in the month~~
Note of comparison: I logged 64.5 hours in the last month, which included several trips and a vacation. So this is a push goal, but not impossible.

Week 1: (2 days - 7hrs 10min)
Week 2: 17 hours, 47 minutes
Week 3: 22 hours, 44 minutes
Week 4: (3 days - 20 hours, 52 minutes)
Week 5: 21hours, 16 minutes
Total: 89 hours, 49 minutes
General goals: ~~send back 2 (1 done) R&Rs, work on 1 more R&R,~~ submit 5 (2 to go) papers, full draft of 4 (2 done) papers and one encyclopedia entry, ~~data entry done~~, some progress on 8 projects (6 done)

Note: The R&Rs are definitely doable, as are 3 of the 5 submissions. 2 others require more work (and hard work). 2 of the papers are close to complete drafts, 2 haven't been started yet. Encyclopedia entry should take a day to draft and then can pass on to coauthor for edits. Data entry is well underway. Projects - we will see! ¯_(ツ)_/¯

Rewards:
Normal rewards (~~pedicure gift certificate purchase w each R&R; art, office stuff, or jewelry with each acceptance~~ I am switching my rewards this month to buying something off the "NOLA grannies at the bus station" wish list - old ladies in New Orleans put together kits for asylum seekers coming through New Orleans on buses

~~If I get my R&R goals done: print of home to vote~~
~~If I get 3 of 5 papers submitted: Boozy brunch after thanksgiving~~
If I get 4 of 5 papers submitted: New down jacket
If I get 5 of 5 papers submitted: Spring break trip
If I get 3/4 paper drafts done: nice hotel in Mexico for first nights in PV
If I get 4/4 paper drafts done: first class somewhere in next 6 months
