

St. Joseph School

5th Grade

Traveling St. Max Shrine

During your week hosting the St. Max Shrine, your family can use this book to record the prayers you ask St. Maximilian Kolbe's intercession for.

There are pages for both prayer requests and thanksgivings. Have the members of your family write (or draw) the prayers that you would like to record. You also can go back and pray for the intentions previously left by other families. You can sign your pages or leave them anonymous.

Remember that St. Max can do nothing through his own power. He would want you to know Christ more and more each day. St. Max is in heaven, and can hear your prayers. He will pray for you too! Ask St. Max to intercede for your family this week, and please also pray for your classroom and school.
