Dear local businesses, organizations and content creators:

We are preparing a digital souvenir booklet for the 2025/2026 season. It will be updated until our final game and because it is digital, it will remain online for anyone to view or download (see link to our previous booklet at the bottom of this document), and the booklet link will be promoted before and after each game through our social media pages, as well as by announcement at the games. It is a great opportunity to support our Golden Eagle basketball teams while receiving great exposure for your business, organization, or social platform. We hope that you'll consider supporting us and while our primary goal is helping our team, our other major goal is to see more of our fans coming through the doors of your local businesses or supporting your organization/platform as well. Thank you for all that you do for our community.

We are also planning on printing a souvenir booklet by mid January, and all digital booklet sponsors can add an additional $50 to be included in the printed booklet, which we plan to print at least 500 of, and will print more for the playoffs if they sell out.

Souvenir booklet sponsor prices:

- ¼ page: $25. Listing includes: organization name, logo or picture, and either website or email address
- ½ page: $50. Listing includes: organization name, logo or picture, 1 line of text, website and/or email address
- Full page: $100. Listing includes: organization name, logo or picture, 2 lines of text, website and/or email address, and phone number

Payments are accepted by PayPal, Cash App, and by checks made out to “BTW Basketball”. If you are interested, please contact us via email or by calling or texting me directly. Thanks, and let’s go BTW Golden Eagles!
