

## Privacy Policy

10-07-2024

Your privacy is important to us.

Sevcan Sulat ( "us", "our" or "we") is dedicated to protecting the privacy rights of our users ("users" or "you") regarding any information we may collect while you are operating our mobile application Photo Editor: Face & Body App available on mobile platform (collectively, the "Service"). Accordingly, we have developed this privacy policy in order for you to understand how we collect, use, communicate, disclose and otherwise make use of personal information you provide or we collect.

BY USING OUR SERVICES, YOU ARE EXPRESSING YOUR CONSENT TO THIS POLICY AND THE COLLECTION AND PROCESSING OF YOUR DATA, INCLUDING YOUR PERSONAL INFORMATION, IN THE MANNER PROVIDED IN THIS POLICY. IF YOU DO NOT AGREE WITH ANY OF THE TERMS OF THIS POLICY OR REVISED VERSION, PLEASE DO NOT USE OUR APPS OR SERVICES.

### Device Information

When you use our Service on your mobile device, we may collect and record certain information about your device, such as its International Mobile Equipment Identity ("IMEI"), Identifier for Advertising ("IDFA") and Identifier for Vendor ("IDFV"), Integrated Circuit Card Identifier ("ICCID"), Media Access Control ("MAC") address, model and resolution, which will be used by us to calculate the number of devices that use our products and Services and analyze data on device models and graphics adaptation. Additionally, we may collect and record the Language & Region information from your device's settings, which will be used to provide better customer support when you reach out to us via Email or the in-app feedback system.

### Personal Data

We do NOT collect any personal data. Our definition of personal data is information that relates to an individual and could be used to identify them. This includes but is not limited to: first and last name, home address, telephone number, date of birth, email addresses, bank account details, financial history, among others. In particular, we do not collect, record or store any face data. As no face data is collected, none will be shared with any third parties.

### Advertising

We may collect and use information about you, such as your device identifier for the purpose of the tracking of the advertising. This information is used together to create a unique user number to help us to better count and track advertising. This information is NOT SOLD to outside parties.

### Information Collected by Third Parties Third Parties' Services

Our Services provided to you may contain third party tracking tools from our service providers. These third parties may use Cookies, Application Programming Interfaces (APIs) and Software Development Kits (SDKs) on our Service and collect and analyze user information on our behalf. This Policy does not govern the use of third-party tracking tools. We have no access to or control over such third parties.

#### How We Use Your Information

We collect user information and personal details so that we can provide our products and Services to you and ensure our compliance with relevant laws. We will use your user information and personal details as provided under "The Information We Collect" for the following purposes:

Services. To provide, process, maintain, improve and develop our Service provided to you, including customer support, and other services provided through our devices.

Statistical analysis. To develop and analyze statistics on the use of our products and Service for the purpose of improving our product and our Service.

To improve user experience. Certain optional features such as user experience programs allow Sevcan Sulat to analyze data regarding the use of our products and our Service and improve user experience.

To provide push services. Your device information may be used by us to provide push services to assess the performance of adverts and the success of software updates, or provide notifications on new product releases. You may turn off this feature at any time by changing your preferences under "Settings".

To collect feedback from you. Your feedback is of great value in helping Sevcan Sulat improve our Service. To keep track of your feedback, Sevcan Sulat may use the personal details provided by you to contact you and retain the records.

#### Limited Disclosure of Information

We will not sell any personal details to third parties. We have no right to share with or disclosure to third parties your personal details in whole or in part except for the purposes of:

Protecting the safety of any other individuals or property;

Preventing or dealing with any cyber fraud;

Safeguarding the lawful rights and interest of us and our users;

Complying with laws and regulations, the order from the government authority or juridical decision, usually for the purpose of the protection of network security and the rights, property, and safety of us, our users, or others.

#### Security of Information

We use a variety of security technologies and procedures for the purpose of preventing loss, misuse, unauthorized access or disclosure of the Information. Please note that no data security measures can guarantee 100% security at all times. Our systems and the communications networks through which you access our services may be subject to security breaches and failures which are due to circumstances beyond our reasonable control.

#### Your Consent to International Transfer

You understand and agree that (i) we may collect and store your information, and that this process would include international transfer of your information; and (ii) we may transfer information that we collect about you to our affiliated companies or to other third parties (please refer to "Third Party Services" in this Policy) across borders according to this Policy.

#### Governing Law and Dispute Resolution

The Policy, including, but not limited to, its conclusion, validity, construction, performance and settlement of the disputes, shall be governed by the laws. Any disputes arising from, or in connection with the Policy shall be first settled through friendly negotiation between you and us. In the case where no settlement to the disputes can be reached through amicable negotiation.

#### Amendment to the Policy

You agree that we may update or revise this Policy in order to comply with the laws and regulations or our new commercial arrangement and you consent to be bound by the revised version of this Policy.
