Happy Sunday Carver E&S Community!

I want to thank all of you for another amazing week, which culminated in an incredible College Day!!! We successfully hosted over 60 colleges and universities at Carver while hosting several trips! Thank you all for your participation and support in making this day such a success.

I truly appreciate our students' hard work and our staff's diligence, monitoring, and, as always, covering for each other. This collaborative spirit is what makes our community so special.
