PENSION PLAN

All certified professional employees working .5 FTE or more must contribute to the **Connecticut State Teachers' Retirement Board**. State law requires that you pay **8.25%** of your annual salary to this system on a pre-tax basis while you are actively employed. Of the 8.25%, **7%** will be posted to your membership account and **1.25%** is posted to the **Health Insurance Fund** which helps reduce the cost of health insurance for eligible retired members and spouses.

Note: *The 1.25% posted to the Health Insurance Fund is related to your Connecticut State Teachers' Retirement and is not to be confused with the employee premium cost share that you may pay if you elect to enroll in a health care plan offered to you by the Wethersfield Public Schools.*

Premium Cost Share for the 2025-2026 School Year

	Coverage	Total Premium Per Month	BOE Pays Per Month	Employee Pays Per Month	Employee's Annual Cost	Employee Per Pay Deduction (Annual Cost/20 Pays)
High Deductible Health Plan (HDHP)	Individual	\$1,141.70	\$867.69	\$274.01	\$3,288.10	\$164.40
	2-Person	\$2,283.41	\$1,735.39	\$548.02	\$6,576.22	\$328.81
	3 or More	\$2,911.35	\$2,212.63	\$698.72	\$8,384.69	\$419.23

Effective July 1, 2023 employees and spouses enrolled in the Board sponsored health plan must participate in an annual wellness program. Covered employees and spouses are required to complete gender and age specific basic recommended preventive care examinations and screenings by June 30 of the plan year. The program does not apply to dependent children. Employees and spouses who do not complete program requirements will be subject to an increased employee contribution for the next plan year.

	Coverage	Total Annual Premium	5% Annual Surcharge	Employee Per Pay Surcharge Deduction
Wellness Program Surcharge	Individual	\$13,700.40	\$685.02	\$34.25
	2-Person	\$27,400.92	\$1,370.05	\$68.50
	3 or More	\$34,936.20	\$1,746.81	\$87.34

Medical Plan Highlights

	Medical Deductible		Out-of-pocket maximum	
	In-network	Out-of-network	In-network	Out-of-network
Individual	\$2,250	\$2,250	\$3,375	\$6,750
Family	\$4,500	\$4,500	\$6,750	\$13,500

- If you utilize **in-network** services, your out-of-pocket expense including your deductible will have plan limits of **\$3,375** for individual and **\$6,750** for family. For example, once you meet your deductible, any co-payments you might have will be limited to an additional **\$1,125** for individual or **\$2,250** for family above your deductible ($\$3375 - \$2250 = \$1125$), ($\$6750 - \$4500 = \2250)
- Once your deductible has been met, if you choose to utilize **out-of-network** services, your out-of-pocket expense will increase to **\$6,750** for an individual or **\$13,500** for a family. For eligible claims, Cigna will pay your provider 80% of the agreed upon network fee arrangement, and you will be responsible for the 20% co-insurance. This 20% co-insurance will apply to the maximum out of pocket expense. However, you may have additional expenses if your provider chooses to bill you for an amount above the network fee arrangement. This is called *balance billing*. This amount will not be applied to your maximum out of pocket cost.

For instance, if you choose to see an out of network provider who bills you \$300 for a covered service, and Cigna's approved in-network fee for this service is \$200, the insurance will pay 80% (\$160), you would be responsible for the remaining 20% (\$40) co-insurance, and you may also be responsible for the additional \$100 that the provider balance bills you.

Prescription Benefit Coverage

Following exhaustion of the applicable deductible, prescription drugs shall be subject to post-deductible copayments of \$15/30/45.

Words that are helpful to know

We can help you crack the code of health insurance lingo. Here are the meanings of some common terms:

To help you meet these expenses, **the Board will fund 50% of the applicable HSA deductible** (with pro-rated funding of the deductible for those who are hired after the start of the plan year).

- One-half of the Board's contribution will be deposited into your HSA account in **September** and the remaining one-half in **January** of each plan year.
- You may elect to contribute additional funds pre-tax through payroll deduction. **Your contributions combined with the Board contributions cannot exceed the IRS limit for the calendar year**

How Much Can I Contribute to my HSA?

For the **calendar year 2025**, the IRS contribution limit for **individual coverage is \$4,300** and for **2-Person/Family coverage is \$8,550**. For those **age 55 or older**, an **additional contribution of \$1,000** is also allowed.

Your contribution, in addition to the Board's contribution, to your HSA account **cannot exceed the IRS limit for the calendar year**.

To help you determine a contribution amount within the IRS limits, an **HSA Deduction Calculator can be found on our *Benefit portal* or by clicking the link** below

> [2025-26 HSA Deduction Calculator](#)

Instructions: *To estimate your annual contribution, enter an amount you wish to contribute each pay within the available pay date cells. Actual deductions withheld are determined by dividing your annual plan year election by the number of remaining pay periods within the plan year. **You may adjust your contribution at any time by completing an HSA Deduction Authorization form through your Frontline Central account.***
