Journal of Orofacial Innovation and Science

**Term of Responsibility and Assignment of Copyright to the
Journal of Orofacial Innovation and Science (JOIS)**

Dear Editor,

By means of this document, the author(s) of the manuscript entitled:

.....
.....
.....
.....

Assigns the rights of the manuscript described above as well as all information, illustrations, tables, or any other information submitted together with the manuscript, from the moment of acceptance for publication. The Journal of Orofacial Innovation and Science (JOIS) will choose the means of publication, reproduction, dissemination, media, format, in any language, whatever is necessary for the publication in electronic format.

Any reproduction, total or partial, in any other part or means of dissemination, printed or electronic, without the prior and necessary authorization of the editors of this journal is prohibited. If permission to reproduce is granted, I will acknowledge the Journal of Orofacial Innovation and Science (JOIS)

The undersigned authors assume responsibility for the content and originality of the manuscript. They declare that this manuscript has not been previously submitted and will not be submitted to another journal while it is in the process of evaluation by the Journal of Orofacial Innovation and Science (JOIS).
