

Hi, I'm Roxy — a licensed and insured hair & makeup artist based in Scottsdale, Arizona.

I serve brides and clients all across Arizona and California, bringing a calm, luxurious, and personalized beauty experience to your location.

I specialize in **timeless, effortless glam** that photographs beautifully while still feeling like *you*. Whether it's your wedding day, engagement shoot, or a special event, I create looks that last from the first photo to the final dance.

Every client in my chair is treated with genuine care and attention to detail. My kit is curated with professional-grade products to ensure you look and feel flawless from start to finish.

When I'm not glamming brides, you'll find me exploring new coffee spots, sharing artistry tips online, or volunteering in my community — because beauty, to me, is about connection and confidence.

Let's create your next unforgettable beauty moment together.
