Leaflets for the lotto will be given out at the parent teacher meeting and will be advertised on VS ware.

We need to advertise on social media when the barometer goes up. A 46 seater bus is what's needed. We're going to compare the cost of the bus from 2000 and from 2020 and 2025. We need a lotto team to advertise.

We need to do prizes for the kids whose parents joining again. All to be done by Christmas with the draw at Christmas.

The open night is on October 23rd Julie Olivia and Helen will help out. Set up a table on the first floor. Uniform raffle on open night. 50 Euro from School Necessities, Online supplier will supply a pe uniform.

No updates from school management at this time and the next date will be the third of November at 6:30 PM
