Easter holidays are less felt than those of Christmas, but they are certainly very pleased to announce because typically the spring.

Usually I don't do anything special on this day. This year I was to the cinema in the afternoon.

On Easter Monday, instead I was on the mountain and in the evening dinner at the restaurant.

Dear Sarah,

Sono contenta di aver fatto questo corso, che ho considerato la continuazione del corso appena finito alla Wall street institute.

Purtroppo non avuto modo in questo periodo di applicarmi di più anche se mi sarebbe piaciuto molto.

Le tue lezioni sono state costruttive, stimolanti e certamente non noiose!

Sarebbe opportuna una continuazione con maggiore presenza della docente in aula.

Thanks and Bye,

Valeria

Good morning Valeria, e Rossella?

My son Antonio is correcting me as I write ;-)

Bye Sarah and Antonio

Bye? or Hi?

Hi

Hi! How many people are in the classroom with you?

four people: Rossella, Carmen, Alessia and me

Great! It might be difficult to do video if Michele and/or Viviana are not there. Why don't you guys start on the task I just put on the blog about talking about your jobs. You can work in pairs or individually, whichever you prefer.

Alessia is envy because you write me

Well, I can write with anyone! I'll go write to her too.

I have all four of your learner diaries open so I can chat with you and see what you are doing there. If we don't have video, at least we have this!

Did you see the task in the blog?

Yes I start

Tuesday 25 March 2014

Any day I get up at 6 hours and I go to job.

I go my job in the car and in the train. I'm commuter!

I start at 8 a.m. and I finish at 2 p.m.

Tuesday and thursday I finish the job at 5 p.m.

In my job I deal the careers of teachers of Department .

I do the bands and the contracts for(the course magistral in law?)

I work for Department of Law public, international and community

(question Non dovrei indicare il Dipartimento in italiano? e per l'acronimo ? DiPIC)

It is the department reference for the Course magistrale in Law, to it belong 40 teachers of UNIPD.

In my office I use the pens, the stapler but specially the pc.

I take so many grafette.....

Thanks Sarah, see you next week

This is a learner diary that I would like you to use during this course. It has two main purposes:

1. to record what you think you learn during class, for example new vocabulary, a new expression, correct pronunciation, something new about verb forms, etc.
2. to record what you do in your free time to expose yourself to English, for example watch a movie in English, listen to the radio in English, write an email in English, etc.

Please try to add some information every day or every other day.

We will also sometimes use this diary for writing activities that I can then correct.

Dialogue between Valeria and English turist

T . Excuse me do you speak English?

V. Can I help you?

T. I have to go from Palazzo del Bo to the train station.

V. Go to the street via VIII Febbraio. Turn right and continue for about 1 km. Go straight on and you will find the station just opposite.

T. Thanks, goodbye

V. Goodbye

Dear Sarah,

I am sorry but this week there is a very important course for my job so I didn't study English very much..

Last w.e. Saturday I had dinner in a restaurant at the beach in Rimini with my friends. On Sunday I did some housework and I studied for my very difficult exam .

Sadly, the w.e. is too short.

Thank you for your attention.

Bye

Dear Sarah,

I did 30 pages of module 1

Dear Valeria,

As you can see, I was very busy myself last week so I understand. I am glad you are trying to do as much as you can and I will be back with you all tomorrow. Do what you can and remember that this is more than you did before starting the course!

Best,

Sarah
