

The **options menu** is a menu that gives coaches the ability to access additional information or functions for a particular team member. The icon for the menu contains three vertically aligned dots and is located on the far right side of each member's name.

When you click on the options menu, you will see a pop-up menu which contains three commands. It will also display that member's contact information, such as their email address and phone number.

The commands include:

- Post on a Member's Page - Will take you to that member's dashboard page.
- Remove from Team - Will cancel the member's association with the team. This does not remove them from the site.
- Edit Membership - Will take you to the member's membership page. Coaches are not able to edit other coaches' membership details.

Availability of the Options Menu

The options menu is present on the following pages within the team:

- Members Management
- Coach Management
- Edit Group Page
- Metrics Page
- Team Setup Page
