

TEMPLEHEARTH

2026

TempleHearth Sponsorship Opportunities

We invite you to be a vital part of TempleHearth 2026!

TempleHearth is an annual virtual gathering hosted by the Temple of Witchcraft. This event serves as a sacred space in which communities from around the globe can gather in workshops, rituals, and lectures. Our community is passionate about furthering their education and supporting small businesses. Help us spread the word about what you have to offer them! By becoming a sponsor, you gain visibility through our digital event materials and social media platforms. Whether you are a small business, a service provider, a publisher, or simply wish to support the community, there is a sponsorship level that aligns with your goals. Your contribution helps us create an enriching and memorable experience for all who attend.
