About The Concert

The 38th Annual "Songs of the Season" concert will feature a delightful mix of traditional Christmas carols, beautiful melodies, and popular holiday hits. Classic favorites will include songs like "Carol of the Bells", "Silent Night", and "Oh Come All Ye Faithful". We are thrilled to welcome special musical guests, the Roanoke Chamber Brass quintet and Julee Hickox playing flute, who will be featured throughout the concert.

New this year, each of our different choirs from all age groups (6-18) will be performing their own fun and popular song featuring festive choral choreography. Dance along to "All I Want For Christmas Is You", reminisce with a medley from the classic claymation Christmas movies (with the songs like "One Foot In Front Of the Other"), and enjoy a whimsical and showy arrangement of Jingle Bells with fantastic and precise choral choreography!

The concert will also feature an appearance from the Grinch himself! (don't worry, we won't let him steal Christmas). And one of our favorite annual traditions is singing "Christmastide" as the Concert Choir joins with family members and Alumni to sing this heartwarming song together.
