Crusader Nation,

I hope that everyone had a Happy Thanksgiving and a successful week back at school. While breaks from school are nice for students and staff alike, sometimes it's difficult to get back into the swing of things after having some time away from the structure and routines associated with a typical school week. With only 13 days of school remaining before Christmas break, I would like to encourage all students to finish the 2nd quarter strong by completing and turning assigned work in on time and studying for upcoming tests/quizzes. Work completion and study habits these next two weeks could make or break a grade for most of our students. By working hard the next two weeks, students will be in a good position to enjoy the last day or two before break and relax during the holiday season.

Traffic Reminder

We have had an increase in morning traffic volume on the east side of the parking lot where the buses drop students off each morning. Please be reminded that the bus lane is for school buses only, and if you choose to drop off in the parking lot please use extreme caution while merging with buses to exit. The front circle drive has been working extremely well for the majority of car riders, so thank you for your continued support and concern for all of our students, buses, and fellow motorists. Safety remains our top priority, and we appreciate your partnership!
