

Privacy Policy for Quick QR Scan

Effective Date: 2/04/2024

Welcome to Quick QR Scan! We understand the importance of your personal information and are committed to protecting your privacy. This Privacy Policy outlines the types of information we collect, how it's used, and the measures we take to safeguard your data.

1. Information Collection

a. Personal Information: We do not require you to provide any personal information to use Quick QR Scan. You may voluntarily provide personal information for customer support or feedback purposes.

b. Non-Personal Information: We automatically collect certain non-personal information, including but not limited to device type, operating system, app usage data, and country. This information is used to provide the ads by google.

c. QR Code Data: The app scans QR codes and accesses the information encoded. This data is processed on your device and not stored or shared by us, unless it includes URLs that the app may access for functionality purposes.

2. Use of Information

The information we collect is used to:

- Provide and improve app functionality.
- Respond to user inquiries and support requests.

3. Information Sharing

We do not share your personal information with third parties, except as required by law or to protect our rights and interests. Non-personal information may be shared with third-party service providers to help us improve the app, subject to confidentiality agreements.

4. Data Security

We implement appropriate security measures to protect against unauthorized access, alteration, disclosure, or destruction of your data. However, no method of transmission over the Internet or method of electronic storage is 100% secure.

5. Children's Privacy

Quick QR Scan does not knowingly collect personal information from children under the age of 13. If we become aware that we have inadvertently collected personal information from a child under 13, we will take steps to delete such information from our servers.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Effective Date" at the top.
