

Retirement of a Policy

The Board may, by majority vote at a properly noticed public meeting, retire a Board-adopted policy when the Board determines that the policy:

- Is no longer necessary for the governance or operation of the ESD;
- Has been superseded by another Board-adopted policy or procedure;
- Duplicates or conflicts with current federal and/or state law or regulation; or
- Is otherwise obsolete or no longer aligned with ESD practices.

The Board will not retire any policy that is required by federal and/or state law or regulation, including rules adopted by the Office of Superintendent of Public Instruction, or a binding collective bargaining agreement.

Nothing in this policy authorizes the retirement of legal obligations imposed on the ESD by law.
