

Rorschach Inkblot Test

Step 1: Understanding Projective Tests

Watch the video on youtube, Projective Techniques - [The Rorschach Inkblot Test and the TAT \(Intro Psych Tutorial #133\)](#)

Summarize what was discussed in the video, what problems does the video discuss about the inkblot test?

Step 2: Create your own Inkblot Test

With a marker or with ink, create your own Inkblot test, NO, you cannot just print one off of the internet. There are various youtube videos online if you need help.

Step 3: Applying What You've Learned

Show your inkblot to someone, have them look at it for 2 minutes, then have them explain what they have seen. Write a short reflection, explaining their age, their body language and facial expressions as they analyzed the image, and what they said. How would you interpret their response?
