

Hey, I'm Szymon K I was just scrolling through [BUSINESS'S NICHE] products, when your business stood out the most to me. Your products have a unique design, great packaging, and your page looks astonishing and professional. I also noticed that you've got a newsletter I'm a novice digital marketer, I wanted to write 4-7 emails for your newsletter, but for COMPLETELY FREE, to gain experience, knowledge, and a testimonial at the end of my work. Let me know if you're interested so we can discuss this further.

Any comments g?
