The iPhone constantly attracts attention of8 ⁽¹⁾ designers. Plenty of acces-
sories from fully predictable to(2) unusual are invented all the time. The
iPhone is even called a victim of its success. Some really useful items(3) spe-
cial gloves made of nylon fibres covered in silver which(4) you text messages
without freezing your fingers. A smart solution(5) found for those who can't stand large headphones. Hi-head is a classic hat but it has two headphones placed at ear-
height ⁽⁶⁾ it and it can diffuse sounds via them. As for the most ⁽⁷⁾ iPhone accessories Windshield Wiper is one of them. The gadget doesn't make the phone
completely waterproof but just(8) water from it. Actually, it's a fully useless
gadget, especially if we take into account that it only works
