

Lesson 9. Absurd Inventions!

Read the text and choose the correct item.

The iPhone constantly attracts attention of B ⁽¹⁾ designers. Plenty of accessories from fully predictable to ⁽²⁾ unusual are invented all the time. The iPhone is even called a victim of its success. Some really useful items ⁽³⁾ special gloves made of nylon fibres covered in silver which ⁽⁴⁾ you text messages without freezing your fingers. A smart solution ⁽⁵⁾ found for those who can't stand large headphones. Hi-head is a classic hat but it has two headphones placed at ear-height ⁽⁶⁾ it and it can diffuse sounds via them. As for the most ⁽⁷⁾ iPhone accessories Windshield Wiper is one of them. The gadget doesn't make the phone completely waterproof but just ⁽⁸⁾ water from it. Actually, it's a fully useless gadget, especially if we take into account that it only works ⁽⁹⁾ case of being connected to a USB.
