[Course Info and Registration](#)

Pelvic Global Academy has an exclusive partnership with CIAO Seminars to provide state board-approved continuing education for PTs, PTAs (limited states), and OTs/COTAs (for some courses).

At the conclusion of all recorded videos, participants will receive instructions to take the quiz, complete the evaluation and print a certificate.

Important note:

*We offer PT/OT CEUs in all 50 states for online courses. **If you look on this page and see that your state and/or discipline is missing approval, you can still get CEUs. It's a simple process we do for you. Once you register for the course, you'll see the instructions within the course page.***
