

Year 2-Summer 1 Homework Grid

Homework/homework books are due on a Thursday and will be sent home in your child's bag, on a Friday. Children should be supported to complete homework pieces and will be given a chance to share their work with the class. Children can earn rewards through their homework presentation, effort and accuracy. Home learning is a chance to provide children with a fun link between what they've learned at school and the wider world. The expectation is to try and complete a task each week. Not all tasks have to be completed.

In Year Two there is also the expectation that children will read their sounds and reading book at home to complement their reading learning at school. Along with completing their alternate mathematics and English worksheet.

<p>Find out about one of the Wonders of the World. Where is it? How old is it? Is it man-made or natural? Why would people want to see it? Could they visit this place on holiday?</p>	<p>Paint or draw a picture of your dream holiday. Can you use a particular artist for inspiration?</p>	<p>Make a timeline showing your favourite holiday for each year from when you were a baby until now. Can you put the accurate years on your timeline and label each holiday. You could use photographs, postcards or your own drawings to sequence the events. Can you write down the reasons why you liked each holiday?</p>
<p>Design a suitcase for travelling. Can you create criteria before designing? Think about your target customer.</p>	<p>Write a diary entry about a holiday. Who was with you? What did you do?</p>	<p>Can you learn the months of the year and seasons in a different language?</p>
