

## January Career Presentations at Old Bonhomme

Elementary is a time for children to be exposed to different career opportunities. We are looking for parents and/or grandparents to come in and present about their career. During the thirty-minute presentation, we would like for the following points to be addressed:

- Describe your career
- What subjects you have to be good at to have this career
- Some of the things you did as an elementary student that led you to this career
- What character traits are important to have in this career field
- Discuss what kind of training you received to be in this career

Take a look at the class and day/time column to see if you are available. You can present in your child's class but we welcome you to present in another class or maybe you want to sign up for two presentations. If you are available, please complete the presenter, email address, and career column. Thank you!
