

TECHNOLOGY
SHOULD BE USED TO
CREATE NOT TO BE
CONSUMED.

To earn an **A** ---**This can be one paper or reflection and link to project.**

1. Write a 2 page reflection paper on the courses guiding questions.

Those questions are:

1. How can we share control of learning with students?
 2. How can we help our students develop learning confidence?
 3. How can coach students to develop their creative capacity?
 4. How can we foster collaboration and trust with students?
 - i. Provide links and images (etc) to explain your ideas.
2. Pick one of the choices below
- a. Design a lesson (provide a short plan) that integrates at least three tools to students to use and build with (if students builds--provide an example) and shows ideas from the concepts in One above.
 - b. STUDENT CHOICE: See me with your ideas and I will OK the topic

To Earn a B

1. Write a 3-5 page paper on the courses guiding questions. Those are:

- a. How can we share control of learning with students?
- b. How can we help our students develop learning confidence?
