

Dear colleague,

There are eight backup lesson plans in two folders: Preschool and Primary.

In Preschool, you'll also find two folders: Preschool Starter with two lesson plans and Preschool Pre-Beginner with two more lesson plans. It's wise to choose materials according to your student's level. However, if you feel that your student may attempt an easier/more difficult lesson, go for it! Mix and match the way you see best.

The same can be said about the Primary folder.

Recommended combinations:

- Primary Starter + Primary Beginner for Starter and Beginner students,
- Primary Beginner and Primary Elementary for Beginner and Elementary students.

Good luck!

We're here for you if you have any questions.

Yours,

Content and Methodology
