

Current Events

WALT: summarise information in an article

WALT: identify the main idea/s in an article

<https://www.kiwikidsnews.co.nz/>

<https://keakids.news/>

Choose your own article to summarise this week. Remember the article needs to be in 'newsworthy' and not a sports review or Odd Stuff.

TITLE: Govt Might ban social media for anyone under 16

AUTHOR: kiwi kids news

WHEN: 12th may 2025

WHO: prime minister christopher luxon

WHERE: New zealand

WHAT: The prime minister wants to ban anyone under 16 from using social media

WHY or HOW it happened: The prime minister wants to stop online bullies and other stuff online

What do you think the author wanted you to learn from this article?

Sometimes online is a bad place for other people to hang out

List 2 new words you have found in this article, then write their meanings.

1. Media is the main means of communication.
2. Addiction is a condition that means you're really attached to that thing.

The 12 of May 2025. Christopher Luxon is deciding to ban any social media for anyone under 16 so kids who are under 16 cant watch like youtube or tik tok and other social media platforms. Aussie the uk and many other united states are gonna ban some of these social media platforms for anyone who's under 16. so no more fortnite or brawl stars or popular games that are restricted for under ten.

PICTURE

FINALLY: Insert your paragraph, one image and a link to the article into a new blog post.
