

# SELF PORTRAIT

## Self Reflection

Highlight your score on the rubric below

Criteria	5 points	3 points
Size	Bust is at least 10" in height	Bust is at least 10" in height
Craftmanship	Bust includes details that were intended in your original sketch to create meaning for the viewer	More detail is needed to create meaning for the viewer
Content	Bust conveys a clear meaning about you	Bust does not communicate meaning to the viewer
Effort	I challenged myself and worked hard at making it the best bust I could make	I picked an easy design just to get the grade and didn't try to make it the best I could
Reflection	I am very conscious of my art-making process and my honest self-evaluations reflect that.	I am unaware of my art-making process and/or I have no self-evaluations of my work.

Describe and explain your self-portrait. What are you trying to communicate about yourself?

How is your craftsmanship? Did you include the details that you intended to? Explain.

What was the most challenging part of this assignment?

Describe what you did that was new, experimental, or out of your comfort zone.

What do you like best about your artwork? What did you learn? And what can be improved?
