# San Antonio Math Include

Provide Greater Access to STEM Education to All Students

**Nittin M.**

**Director of Lincolnshire, Illinois Chapter  
Tutor  
San Antonio Math Include**

Nittin is an aspiring engineering and a rising senior (class of 2023). He has many interests within the fields of STEM. Primarily robotics, mathematics and Physics. He has participated in FIRST Robotics and VEX robotics as a part of his school club and have participated in math contests such as AMC and MathCounts as a part of his school's math team. He is also a peer tutor for mathematics at his high school.
