

IETA Girls: College-bound Scholarship

Applications Now Open!

Deadline: **December 1, 2025 at 11:59 PM**

Award: **\$1,000 one-time scholarship**

Description

The *IETA Girls: College-bound Scholarship* is awarded to an Idaho female high school senior entering a college program in science, technology, engineering, or mathematics (STEM). Qualifying majors are determined using the [ACT guidelines for STEM](#).

Eligibility

- Idaho resident female high school senior
- Minimum GPA of 2.5

Application Requirements

- Two letters of recommendation
- High school transcript
- 500-word essay including:
 - Candidate details (name, address, high school, GPA, college planned)
 - Background in chosen STEM field
 - Why you're pursuing this career
 - Who inspired your path

Preference Given To

Scholarship preference is given to students active in STEM activities, attending an Idaho college or university, and showing a thoughtful career plan.

How to Apply

Submit completed applications to akolar@idahotechtalk.org by December 1, 2025.

Recipients will be notified by email on December 12, 2025.
