

Interlake Minor Ball AAA Tryouts Schedule and Information

General Information

-At the 13U and 15U levels we will require all players trying out to attend at least one of the indoor sessions at Seven Oaks Soccer plex, as well as the team's session at Homerun Sports Training Center.

-At the 18U level we would like to have all players attend their scheduled session at the Soccer Plex, and their session at the Homerun Sports Training Center.

-The evaluation process will be used to rank players for the coaches, but the coaches will have the final decision on who makes the team in corroboration with the Interlake Minor Board. The evaluation results will be compiled by the VP of High Performance and broken down into three categories. The categories are on the team, on the bubble, and not on the team. Also, the evaluation process may be used to thin the number of players being considered for the team. There may be additional practices and events that will be used to finalize the team before the season, including some outdoor sessions. This will be determined by the VP of High Performance. All families will be notified after the indoor sessions in terms of where they stand in terms of the tryout, and any player placed in the not on the team category after evaluations will no longer to attend any further tryouts. The players will be given feedback, as well as an opportunity to play on the "AA" team if numbers allow for this opportunity. For players that are continuing with tryouts the roster will be finalized no later than June 1st, with the possibility of being finalized earlier than that. All players will receive an email from the VP of High Performance letting them know if they were successful or unsuccessful in making the final roster.

-A fee will be charged to all players trying out of \$75 to cover the rental fees of the facilities being used to run the tryouts. Payments will be due by the time the first session starts and be paid by cash, cheques made out to Interlake Minor Ball, or by e-transfer to interlakeminorball@gmail.com

-All players in 13U and 15U will be required to play on their local "A" ball teams in addition to playing their "AAA" schedule. At the 18U level "AAA" players will not be required to play on their local teams.

-If there is enough interest at an age category in trying out for "AAA" Interlake Minor Ball would like to explore the possibility of also running a "AA" team for those players unsuccessful at making the "AAA" team. The "AA" team would play exhibition games in addition to their local team schedule, as well as have the possibility of qualifying for the new version of the "AA" provincials that will not allow "AAA" players to compete. The "AA" rostered players would also be used as affiliated players for the "AAA" teams but will be limited to a certain number of games by Baseball Manitoba's rules before being ineligible for "AA" provincials. **For a player to be eligible for the "AA" team they must attend the "AAA" tryouts.**

-Please register for the tryouts by March 17th completing the form emailed to you by Interlake Minor Ball. Please email rorytycoles@gmail.com if you have questions.
