

My name is Susan Cissell. I am excited to start my 21st year as a Paraprofessional in the Center Base program as well as an Activity Leader in the SACC program here at Gudy Gaskill Elementary. I am a person who enjoys wearing many hats. I am a Certified Nurse Assistant and a licensed Real Estate Broker through the state of Colorado. My husband and I are both Littleton Natives and both grew up in LPS. We have 3 daughters, all who attended Highland Elementary, Euclid and our 2 oldest graduated from Littleton High, our youngest graduated from Arapahoe. Even our granddaughter, Octavia will be starting third grade this year here at Gudy Gaskill.

In my spare time I enjoy spending time with my family, dogs, cats and raising chickens, ducks and turkeys. During the summer I enjoy gardening and being a beekeeper.

I am eagerly looking forward to meeting and working and getting to know you all this year at Gudy Gaskill Elementary.
