Measurements:

- Darling Duckling – 8 ½" x 5 ½" scored in half at 4 ¼"
- Secret Sea – 3 1/8" x 4 ¼"
- Painterly Pears DSP – 3" x 4"
- Old Olive – 4" x 2"
- Basic White – 2 ¼" x 1 ¾", 3 1/8" x 4 ¼", scraps

Instructions:

1. Fold card base in half.
2. Die cut card base (both layers at a time) using Everyday Arches (use the largest one). Be sure to shift the die to the left and OFF the card front, so the card isn't sliced where you want it scored. You should see a TINY space between the die and the cardstock on the score line before you cut!
3. Die cut an arch (3" x 4 1/8") from Secret Sea cardstock, and adhere to card front, using Dimensionals.
4. Die cut another arch (2 5/8" x 4") from DSP, and adhere to Secret Sea cardstock layer, flat.
5. Adhere die cut leaves from Old Olive cardstock, and adhere to DSP, flat.

6. Stamp pears on a scrap piece of Basic White cardstock, using Memento Black ink.
7. Stamp the inside of the pears to the same cardstock, using Darling Duckling ink.
8. Die cut the pears that are on the scrap white cardstock panel.
9. Taking your dauber, add a tiny bit of Old Olive ink to bottom right corner of pears. LESS is more! Don't make small circles, just add ink by lifting your hand up and down, as if you are sponge painting.
10. Adhere pears on top of leaves on card front, using Dimensionals.
11. Add a Mossy Meadow/Gold bow to card front, using Mini Dimensionals.
12. Stamp the sentiment "friend" on scrap white cardstock, using Secret Sea ink.
13. Fussy cut into a strip with banner shape on one end, and adhere to card front, using Dimensionals.
14. Die cut the larger white panel of cardstock, using the same die that you did for the Secret Sea panel.
15. Stamp pears on arched white cardstock panel, like you did in previous steps.
16. Stamp the sentiment for the inside panel, using Secret Sea ink.
17. Adhere inside of card.
