Curriculum & Instruction Update	Annette Brinkman provided training to new staff in July; she will be training the rest of the new staff in August (24 and 28). Teachers conducted two days of "get-to-know" student activities right at the beginning of the school year. During this time they taught class expectations and procedures as well. After that all classes engaged for 2 days of activities which reviewed the student handbook. Activities included making posters, creating quizzes, taking quizzes and having discussions. All activities were designed to help students understand school-wide policies.
Assessment Data	MAP testing was conducted 8/9 - 8/14. 85% of testing is complete; make up exams will continue next week.
Upcoming Events	Football and Volleyball begin August 21. Open House will be on August 30.
Parent / Community Involvement	Parents' Night - August 30 (Progress Reports & PAC Meeting)
Celebrations	First Pep Assembly of the year on August 17. Teams were introduced and students engaged in relay-style activities. SMS's student council conducted the event. Each grade level team created one of the activities. (8 th grade students were the loudest, but 6 th grade students made a fantastic showing!) The last of the new staff was able to start last week! Teachers have submitted names for Positive Postcards. These recognize good citizenship and effort at SMS. The postcards will go into the mail next week.
