CMIS Tri-Sport Selection Policy

Consideration

- Consideration will be given to student-athletes who participate in at least one of the following varsity programs during the year: football, basketball, volleyball.
- All 3-sport Varsity student-athletes are given highest priority for consideration.

Selection Process

- Varsity football, basketball, and volleyball coaches provide a ranking of student-athletes for their respective sport to guide the selection process
- By utilizing the provided rankings, and in consultation with varsity coaches, a Tri-Sport roster of invitees is constructed that attempts to meet the needs of all three sports. Factors include:
 - Location on sport-specific depth chart
 - Apparent positional need

Invitations

- The Director of Athletics will email invitations to student-athletes who have been selected utilizing the above process.
