## **Professional Profile**

Dynamic leader with over 25 years of experience in automotive quality and 30 years in IT. Expertise in quality systems design, process improvements, cost reductions, and technical innovations in manufacturing environments. Adept at leveraging data analysis and automation for operational excellence.

---

## **Core Competencies**

- Costs of Poor Quality
  - Quality Systems Design & Implementation
  - Advanced GD&T & Problem Solving
  - IATF 16949/TS 16949/QS 9000/ISO Standards
  - IT Systems & Automation Design
  - Data Analysis & Visualization (Power BI)
  - Process Optimization & Continuous Improvement
  - Program Management & Product Launch
  - Six Sigma Black Belt
- 

## **Education**

**AAS in Information Systems** – Pierpont Technical College, 2021

**Bachelor of Science in Liberal Arts** – Excelsior University, 2024

---

## **Professional Experience**

## **Morris Manufacturing & Sales Corp, Brazil, IN**

### **Director of Quality** *(2010 – Present)*

- Led launches for numerous Tier 1 automotive programs, receiving multiple **GM Supplier Quality Awards** (2020, 2019, 2018, 2016, 2014) and **FCA Outstanding Supplier Quality Award (2018)**.
- Developed and implemented a **Quality Journeyman program** to upskill staff.
- Oversaw quality, IT, and process engineering functions, introducing innovative technologies for operational gains.
- Spearheaded cost-saving initiatives and refined processes for improved efficiency.

### **Advanced Manufacturing Specialist** *(2005 – 2010)*

- Launched 18 new manufacturing programs, optimizing plant layouts, automation, and workflows.
- Managed APQP, PLC troubleshooting, and specialized project designs.
- Delivered measurable cost reductions through process refinements.

### **Quality Manager** *(2001 – 2005)*

- Relaunched production lines, achieving less than 1 PPM defect rates.
- Redesigned quality systems to meet evolving customer requirements.
- Directed quality functions, supplier relationships, and network administration.

### **QS 9000/ISO Coordinator / Quality Manager** *(1998 – 2001)*

- Maintained IATF 16949/QS 9000 certifications and designed comprehensive information systems for company metrics.
- Converted and managed all technical drawings in CAD.

## **Mattoon Precision Mfg., Inc., Mattoon, IL**

### **Quality Assurance** *(1994 – 1998)*

- Designed gaging systems for calibration and R&R, achieving significant supplier performance improvements.
- Certified Level 2 Non-Destructive Tester and TPM Leader.

---

## **Technical Skills**

- Certified Six Sigma Black Belt
- Statistical Analysis & Data Analytics (Power BI)
- CAD Tools: AutoCAD, SolidWorks, Autodesk Fusion 360
- Quality Manual & Procedure Development
- TPM, Quality Circles, and Continuous Improvement Programs
- Minitab

---

## **Awards & Recognition**

- **GM Supplier Quality Awards** (2020, 2019, 2018, 2016, 2014)
- **FCA Outstanding Supplier Quality Award (2018)**

---
