

Student "Gmail" Access:

All students have access to "Gmail" through their student "google drive" accounts.

1. Sign in to your student Google account using the login - Student#@student.cms.k12.nc.us

2. Once you have signed in, Click the 9 dots symbol for "Google Apps"

3. Find & Click the Gmail Icon

4. After you click the email the screen should show something similar to the picture on the right.

5. This is your email. You can read and send emails to teachers/staff from here. You may also send documents.

For more support on using google's gmail please see the link provided below:
