

ali: oh hi

[4:53:26 PM] Jaleb: didn't mean to call

[4:53:36 PM] Jaleb: I'm trying to figure out if vilden is actually abc

[4:55:05 PM] ali: ya they are

[4:55:20 PM] ali: <https://epicmafia.com/user/475480#/>

[4:55:49 PM] ali: proof

[4:55:52 PM] Jaleb: I'm being serious

[4:56:02 PM] ali: I am too

[4:56:08 PM] ali: ?

[4:56:15 PM] Jaleb: How does that username prove anything?

[4:56:16 PM] ali: abc is banned again is he not?

[4:57:47 PM] Jaleb: yes, I just don't have any information to confirm that vilden is actually abc.
I'm just getting messages from someone to unban him.

[4:58:12 PM] ali: well abc proxies his accounts yknow

[4:58:21 PM] ali: but I know its him I used to have him on skype

[4:58:31 PM] Jaleb: on vilden19?

[4:59:00 PM] ali: I had abc on Skype before he switched to the Skype name vilden

[4:59:10 PM] Jaleb: ah

[4:59:32 PM] Jaleb: I'm confused why hedger sent me the message over sims

[4:59:50 PM] ali: i think they went on hedger's account to do that

[4:59:54 PM] ali: to seem legit

[5:00:34 PM] Jaleb: Kenny also just said that he banned him from sandbox by request

[5:02:56 PM] ali: i know all of abc's accounts

[5:03:04 PM] ali: just site ban it

[5:14:57 PM] ali: i think abc/vilden is trying to play slow

[5:15:02 PM] ali: but me and arcbell can confirm it's them

[5:15:07 PM] Jaleb: and hedger apparently

[5:15:09 PM] ali: since we've been around modding for a long time

[5:15:46 PM] Jaleb: yeah

[5:16:24 PM] ali: thanks for rebanning them

[5:17:33 PM] ali: remember when vilden was trying to get modded awhile ago

[5:17:42 PM] ali: before it was widely known they were abc

[5:17:46 PM] ali: glad that was avoided

[5:17:52 PM] Jaleb: good to know

[5:18:01 PM] ali: i told retti and some mods to block them bc of that

[5:20:39 PM] ali: abc always gets really dramatic trying to be unbanned just don't give in

[5:21:01 PM] Jaleb: good to know

[5:21:48 PM] Jaleb: I'm bewildered that Kenny said he locked him for other reasons

[5:22:30 PM] ali: hmm maybe he lied or forgot why he banned them

[5:29:13 PM] ali: it looks like abc/vilden convinced sims to unban them :/

[5:29:17 PM] ali: guess he wins this time

[6:04:25 PM] ali: hehe sorry I was having a bit of fun

[7:04:55 PM] Jaleb: Why me though?

[7:06:10 PM] ali: I dunno you sent me that message which I didn't think was serious lol
[7:06:53 PM] ali: I didn't mean any harm
[7:07:14 PM] ali: since the report was a troll report
[7:08:07 PM] Jaleb: I don't want to unban someone that needed to be kept banned -_-
[7:09:30 PM] ali: it was just in good fun dont worry about it
[7:13:35 PM] Jaleb: I only wanted confirmation

btw

[5:10:36 PM] Arcbell: it's fairly common knowledge that vilden is abc
[5:10:45 PM] Arcbell: it came out when abc was unbanned
[5:10:52 PM] Arcbell: garyoak outed it
[5:11:06 PM] Jaleb: gary told you about the chat?
[5:11:08 PM] Arcbell: when vilden was called on being a dude
[5:11:18 PM] Arcbell: he admitted he was abc
[5:11:38 PM] Jaleb: i'm just so fucking confused right now
[5:11:42 PM] Arcbell: its ok
[5:11:47 PM] Jaleb: I don't have this information to confirm or deny who is saying what is true
[5:11:54 PM] Jaleb: i also want to know why hedger would lie about this
[5:12:04 PM] Jaleb: you're still in the mod chat, aren't you?
[5:12:07 PM] Arcbell: maybe he doesnt know
[5:12:09 PM] Arcbell: and no i'm not
[5:12:21 PM] Jaleb: how did you know about this conversation then?
[5:12:37 PM] Arcbell: bell

[5:13:04 PM] Jaleb: i haven't answered it yet
[5:13:15 PM] Arcbell: what's the question?
