

Hi Gary,

I recently helped a local tree service company in Troy, NY, increase activity on their Facebook page by almost 20% in just 2 weeks. Additionally, I aided in the startup and growth of a lawn care company this summer, resulting in them filling their schedule and growing their page from 0 to 300 followers in one month.

Here is what I plan to do for Alpha Tree Service:

- Increase following by 25%, resulting in more clients.
- Showcase services and happy customer reviews to establish trust, resulting in more sales.
- Increase conversion rates by 20%, resulting in a full schedule.

If this is something you are interested in, please let me know, and we can schedule a call tomorrow.

Best regards,

Hey Mike,

I recently ran a Facebook ad campaign for a local tree service company in Troy, Ny that resulted in an 18.9% increase in post reach in just 5 days, leading to hundreds of potential clients checking out their page and filling their schedule.

Is attracting more clients, increasing conversion rates, and gaining time back in your life something you're interested in? If so, we can schedule a call or an in-person visit to discuss further.

Best regards,
