

# HHS, Here We Come!

The Huntsville High School Counselors will be meeting with 8th graders the week of February 12th. The counselors will meet with each student individually to help them select their courses.

The students will watch a powerpoint presentation in their history class before the counselors meet with them. To view the presentation, click on the QR code or use the bit.ly below.

A copy of the student's selections will be sent home the week of March 18th. Instructions to make changes and high school counselor information will be included.
