Deeper Walk Certified Prayer Ministers

Disclaimer: This is a referral list only; any work done through these individuals is independent from Deeper Walk International as an organization.

How to use this Referral List:

- Prayerfully look through this list. You can see Ministry Areas (key at bottom) and if they charge for services
- We suggest you reach out to 3 or so Prayer Ministers and see if they are taking new clients. You may want to ask for a 15 minute free consultation to meet them and see if they are a good fit for you. You may wish to discuss things like:
    - As you briefly share your goals, do they feel confident they can help you?
    - What kinds of ministry would they propose to lead you through?
    - etc.
