4.1 Zadatak 12. Kultura

| In English

Look at the following pictures. Each of the following pictures represents a traditional housing structure in the BCMS area. What do you think? Traditionally, what type of housing can we find in Croatia, Bosnia and Herzegovina, Montenegro, and Serbia? Item(s) can repeat. Think of the climate in the area when responding to this question. If people live by the sea, would they build a wooden house?

4 | Modul 1: Domaća zadaća

Dome, slatki dome

kamena kuća

drvena kuća

1

Answer the above questions.

-

In Bosnia and Herzegovina there is a concept called mahala. Can you tell us more about what mahala is? Was/is there a concept of mahala in the U.S.? What does it tell you about Bosnia and Herzegovina? Do you find any specific importance/value in building mahala? Was the concept ever present in the U.S.?

2

Answer the above questions.

-

Compare the way of living in your city with that in Bosnia and Herzegovina, Croatia, Montenegro, and/or Serbia. Where do people live? In what type of housing? What is your favorite type of housing? Why? What are some differences in comparison to your country?

3

Answer the above questions.

-

Let's investigate the housing situation. The above pictures give you more cultural components. What differences do you see in comparison to your country/city? What do you think? Why do we have these differences?

4

Answer the above questions.

-

4.1 Zadatak 13. Život u Hrvatskoj

| In English

Watch the video and tell us about the differences between Croatian and North American homes. What do you find interesting?

Differences [inside the home](#) – Croatia vs Canada and USA

1

What are the differences? [Koje su razlike u kući/stanu?]

-

4.1 Zadatak 14. Troškovi

Watch the two videos and tell us what you think about life in Croatia.

Exchange rate: 1\$ = 0.92 Euro

[Zagreb – cost of living](#)

[Split – cost of living](#)

In English

1

Compare the monthly expenses in Split and Zagreb.

-

Additional Questions

Where in the US could you find a similar situation in terms of monthly expenses budget?

Which apartment do you like more? The one in Split or Zagreb? Why?

Are there any differences between the Croatian and the US apartments?

In Croatian

Pick one of the two apartments from the videos and answer the question.

2

Što ima u stanu u Zagrebu ili u Splitu?

-

Can you find a similar video for Serbia, Montenegro, or Bosnia and Herzegovina?

Share your link and tell us your impressions.

3

Link

-

4

Je li život u gradu skup ili jeftin?

-

5

Kakav je grad?
