

Section 1 Alliance RC Confirmation Document

Admission to Alliance requires Regional Commissioner approval prior to submission to the Section program. Key points that all RC's should understand are listed below:

- Alliance teams will need field space for practices and pitches for home games.
 - CSL will schedule all Alliance matches, and likely won't be posted until Sept 1.
 - If home fields are shared between Core and Alliance, reserve kickoff times for consecutive Alliance home games, so that Core matches won't occur between Alliance games on the same day.
 - In cases of regions with very few Alliance teams, home matches may be scheduled together on a shared field with neighboring regions. Regions sharing fields will split the rental costs equally.
 - Club leagues will require good quality pitches. Inability to provide above average field space might result in exclusion to the program. (Section 13: coastsoccer.com/CSL-rules-2023.pdf)
- The RC affirms that this proposed team has registered players in an AYSO program, and the cumulative number of proposed Alliance players in proportion to Core players can't exceed 25%.
- The RC affirms that the team's volunteers (Head Coach, Assistant Coach, Team Manager, Referees, etc) are registered in AYSO, and have completed SafeSport, Live Scan, Safe Haven, CDC, and all certifications.
- The RC affirms the Head Coach and Assistant Coach have completed their respective U12, Intermediate (U14), or Advanced (U16/19) Coach certifications, and have a history of excellent coaching experience.
- The Head Coach and Assistant Coach must have, or quickly obtain, USSF coaching certifications, Grassroots or "D" license or better. Failure to comply will disqualify the coach(es) from admission to CALSouth and Coast Soccer League.
- The RC affirms that this proposed team will be competitive in Flight 1 or 2 club soccer circuits. (Coaches will be required to provide records of team success)
- This coach will adhere to the Six Philosophies of AYSO, notably "Everyone Plays," and ensure all registered players will play a minimum of 50% of every match, even when other clubs are benching players.
- Region will provide a check to the Alliance Registrar for \$1200-1400 *per team*. (For CALSouth fee, CSL Team registration, & Alliance fee). Regions will provide an initial \$600 deposit check at application time.
- The RC or registrar will create an "Alliance" registration on their Sports Connect page for players to enroll.
