3.1 Zadatak 25. Poznate svjetska obitelji

Written assignment. Following the example from the previous task, write about one famous family of your choice. Be sure to include all family members – who they are, where they are from, what they do, what their interests are, any physical similarities, and what presence they may have in the media(commercials). Include a link if you find any commercial that a person/family did.

3.1 Zadatak 26. Interesi

Video recording. Work with one of your classmates that you have not worked with so far.

For this assignment you will need a picture of your family. If you do not want to share your personal photo with your classmates and/or video recorded assignment, find a picture online that you will use as your family. The goal of the assignment is to make a **cohesive dialogue between two friends** who are getting to know each other. Touch upon the topic of your family. You want to provide your new friend with more information. Follow the questions that your friend will ask you based on the picture you show them.

Questions in a dialogue to ask (related to family):

members of your (nuclear) family

what they do

their interests

activities in their free time

physical description/similarities

comments on specific family members

married or not married

3.1 Zadatak 27. Izreka
