

4.3 - Simultaneous Activities with *když* - 'when, while'

We've learned the question word *kdy* 'when', we've also seen the related word *když* 'when, while'. In this brief lesson we are going to briefly cover the main differences between the two:

kdy?	když...
used in questions: <i>Kdy máš narozeniny?</i> when is (lit. do you have) your birthday? <i>Kdy obvykle běháš?</i> When do you usually run?	used in statements with a meaning of 'when, while' <i>Často poslouchám hudbu, když dělám domácí úkoly.</i> I often listen to music when/while I do (my) homework. <i>Co typicky děláš, když prší?</i> What do you typically do when it rains?
